

Jordan Holmes Bio

I have been in law enforcement for approximately five years. Currently, I am the treasurer of the Yavapai Young Republicans.

My biggest goal in life is to assist in the longevity of our republic, assist in pushing back the communist threat that's seeped into our society, and be a loving husband to my wife and a father to the next generation.

My role models are George Washington, Julius Caesar, and Donald Trump. My faith is at the forefront, and no one inspires me more than Jesus Christ and his teachings.
